Prestbury Newsletter

June 2023

It's another lovely day! Many flowers and trees are blooming and the swifts are calling overhead.

### Swinging Sixties

At our June meeting we were treated to a very interesting and nostalgic talk about the 'Swinging Sixties.'

Do you remember these bands from the 60's?

Most of us recognised many of the items on display, from this era.

### Everyman Theatre tour.

This has been booked for 11am on September 29th, £10 per person. Please sign up if you would like to do this tour.

### August Social

This will be on August the 14th when there will be snacks of cheese and biscuits and entertainment, more details to follow.

### Prestbury People Planet

A local resident, Hilarie Owen has formed a small group with the intention of it becoming larger, regarding the need for all of us to work together towards protecting the future of our planet. She may be invited to speak at one our WI meetings next year so that we can find out more about her ideas, as a result of a brain storming session held in our hall with other local parties.

### Themed sales table

Jill Curran will set up this new project at our July meeting with the first sales table being for jewellery. Items would be donated at the previous Wednesday afternoon 'Chat and Craft' session. All goods unsold would be given back to their donors or given to a charity shop with money collected also being given to charity. Unfortunately we will not be able to accept pierced earrings.

## WI diaries & calendars

These must be ordered before September 1st. There will be order forms at the next WI meeting on the back table.

## Donations

We continue to ask for donations as there is always a need. The recipients are Cheltenham Community Project (food) Open Door (food) and Unstoppable (sanitary items)

## Regular Groups

Our Tai Chi, Walking, Line Dancing, Ukulele, Chat and Craft groups and the day/evening book club continue as usual. Please come and join us if you would like to.

## Walking Group

The walking group had a lovely morning walk on Saturday June 10th starting at the Red Lion pub at Wainlode Hill and finishing with lunch in a very pretty setting.

## Lifts to meetings

Please speak to a committee member if you need or can offer a lift to a member for future meetings.
