September 2023

It's a very windy, rainy day today - Autumn is on its way!

September meeting

Our informative talk by Ellen from the Stroud Women's Refuge emphasised the great need of support for women in Gloucestershire from this charity. She gave several examples of help that is given to women, however members were shocked to hear that only 9 beds are available in the whole of Gloucestershire, especially as the Gloucester and Cheltenham branches have shut down.

Open door

Cheryl Whiting thanked everyone for their generous donations every month, food items always being a priority.

She suggested we collect tinned meals, meat balls in gravy for example and cereal bars this month. Anything else however is very acceptable and CCP is very keen to continue to receive baby items, as well as food. **Unstoppable** very much appreciates our donations as they are struggling to keep up with demand.

September Sale Table

Our sale table raised £54, selling scarves, handbags and included a raffle for a lovely Radley bag.

Our August sale table of jewellery raised £40 on the evening and a further £120 from left over items to a jeweller in town. These are very good results, thank you Jill Curran for organising the monthly sale.

The theme for October is jigsaw puzzles. Please ensure sure that each puzzle you donate is complete and bring cash to purchase any that you like, on the night. A minimum donation of £1.00 is acceptable for all sale items please.

Everyman Theatre tour

Please meet by the Box Office at 10:50am on Friday 29th September if you have signed up for the tour.

Raffle Prizes

Please keep donating raffle prizes as our stocks are running low.
