Due to the cancellation of the December meeting we weren't able to get tickets to you before Christmas. They will be available at the January meeting on Monday 9th. If you would like a ticket but are unable to come to the meeting please contact Jill Curran email: prestburygloswi@gmail.com

This is a WI event with a great opportunity for you to invite friends along who you think might like to find out a bit more about what the WI has to offer. Similarly if you don't feel that you want to participate but would enjoy a night out watching the fun and enjoying the music you would be very welcome. We had great fun last time and look forward to seeing you.
